

VOLTAGE STABILIZERS

Our Service, Your Satisfaction

10 KVA Single Phase Servo Voltage Stabilizer, 100 VA Isolation Transformer, 15 KVA Three Phase Isolation Transformer, 3 KVA Single Phase Servo Voltage Stabilizer, 3 Phase Servo Stabilizer, 30 KVA Three Phase Isolation Transformer, 40 KVA 3 Phase Oil Cooled Servo Voltage Stabilizer, 5 KVA Single Phase Servo Voltage Stabilizer, 7.5 KVA Single Phase Servo Voltage Stabilizer, Industrial Online UPS, LT Panels, etc.

**MICRO CONTROLLED VOLTAGE
STABILIZER**

STATIC VOLTAGE STABILIZER

3 PHASE SERVO STABILIZER

About Us

V-Ctrl Solutions Private Limited introduces itself as an engineering start-up that commenced its operations with the objective of providing 360-degree solutions for energy-saving and power conditioning products. We have emerged as the only player in South India that holds excellence as a manufacturer of power distribution units of various capacities. Our company was founded by Mr. V. Anjaneyulu, who holds more than 25 years of experience in the domain. His excellent work in designing and executing the most critical power conditioning projects benefits our operations.

We regularly supply the finest Power Distribution Unit, Industrial Online UPS, Control Panel, Static Voltage Stabilizer, Power Conditioner, Oil Cooled Voltage Stabilizer, etc. because of the support of our team and facilities. Furthermore, we function as a service provider to render Equipment Installation Service and Stabilizer Repair Service. V-Ctrl has a dynamic team of specialized experts that hold years of hands-on onsite experience. Apart from the smart engineers and production experts, we have strong R&D and technical support team. With their support, we regularly enhance the overall manufacturing efficiency and customer experience. We have two state-of-the-art plants in Hyderabad. In our corporate office as well as production facilities in Hyderabad, we work in pursuit of innovation and knowledge. Furthermore, our values are highly infused by leadership; they are reflected in the regular communication that our employees have with customers and vendors.

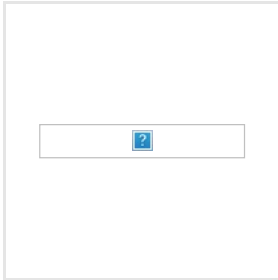

Key Facts

No of Staff	25
Year of Establishment	2020
OEM Service Provided	No

Our Products

Industrial Online UPS

Three Phase Isolation Transformer

15 KVA Three Phase Isolation Transformer

30 KVA Three Phase Isolation Transformer

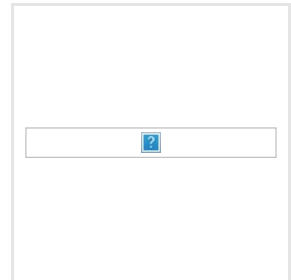

100 VA Isolation Transformer

Portable Power Conditioner

NX900 G4 Online UPS

NX890 10-120 KVA Online UPS

LT Panels

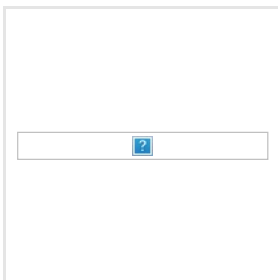

Oil Cooled Voltage Stabilizer

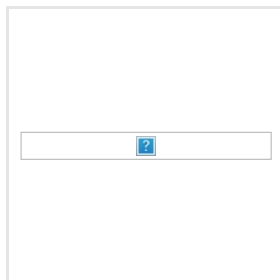

NX800 Online UPS

Power Distribution Unit With K-Rated

NX900 G4 6-10 KVA Online UPS

NX890 80-500 KVA Online UPS

7.5 KVA Single Phase Servo Voltage

5 KVA Single Phase Servo Voltage

ADDRESS

**Plot No.38, Ground Floor, Jyothi
Nagar, Cherlapally Rampally
Road, Rampally, Medchal,
Malkajgiri, Hyderabad,
