About Us

CHEMO BIOLOGICAL, established in 1982 and headquarter in Delhi, is one of the fastest growing Pharma company today. We are an innovative Global Pharmaceutical Marketing company that markets the broad range of healthcare products. The groups operations range from the latest and most unique DCGI-approved formulations to cosmeceuticals.

Chemo Biological is a New Delhi (India)-based noteworthy trading company that deals in a broad range of highly effective pharmaceuticals. Established in 1982, since then, we have been riding high on success and gaining an edge over our competitors. Our range of Lansoprazole Gastro Resistant Capsules, Lenalidomide Capsules, Tolperisone HCL Tablets, Levofloxacin Tablets, and other products is noted for their great effectiveness, exceptional longevity, and unbelievable affordability. Apart from this, our third-party manufacturing services are popular for their reliability. Thus, we are well-acclaimed as a trustworthy service provider as well. Today, almost four decades down the line, with a strong will to grow and earn 100% customer satisfaction, we are still leading the game. All over the country, customers recognize us as a celebrated name in the industry.
