About Us

Established in 2018, we, Girja Engineers, are one of the most highly reputed traders, suppliers, and service providers in the industry. We specialize in a large variety of lights. Our product portfolio includes Linear Inground Up Lights, Gas Mashal Luminaires, Solar Lights, Landscape Flood Lights, and others. Developed with 100% precision, our products showcase the highest standards of durability, reliability, and quality. All the products are worth the purchase. The unparalleled quality and cost-effectiveness of our products make them stand out in the market.

In addition, the services we render are noted for their promptness and reliability. Customers from all over the country repeatedly choose us to avail of House Wiring Services, Power Contractor Services, Energy Panel Meter Installation Services, and more. We provide complete customer care support as well.
