## About Us

Malhotra Safety Traders has been working to make the country a safer place by protecting its people and their possessions from fire incidents. The Late Shri Kedar Nath Malhotra is one of the pioneers in the Indian business of fire safety with more than 40 years of experience. This company was started in his name. He further co-founded Atco, which is one of the biggest companies in this field of fire safety. Our manufacture and supplier company aims to offer reliable fire safety solutions and equipment at a fair price to protect whatever you hold dear. Customers can avail Exit Light, Clean Agent Fire Extinguisher, AFFF Foam Refill, Flexible Hose Pipe For Fire Sprinkler, etc. from us.

We believe in the adage that people will listen to you if they like you, but they will do business with you if they trust you. So we carry out our responsibility with utmost care, and we try carefully to earn our clients trust by treating them like family. We have international standards and our products are ISI licensed.
