About Us

Customers all around the world expect prompt and professional services and we are totally dedicated to serve our customers with premium quality products. S. S. International is a prominent manufacturer, supplier, wholesaler/distributor and trading company of ropes such as PP (Polypropylene) Ropes for Box Strapping, Pigeon Net, Nylon Braided Net, Industrial Ropes, Birds Net, Scaffolding Net, etc. We completely understand the delicate relationship between a manufacturer and a user, which immensely helps in retaining and expanding our clientele. The detailed market research conducted by us contributes in the improvisation of our products and keeping ourselves abreast with the ever-changing market trends, and also in catering to customers' needs with complete sincerity and devotion.

Since the establishment of the company in the year 2000, we regularly improvise on our existing range of products, in order to come up with products that stand high on performance and durability. We base our entire business activity on ethical guidelines, thus occupying a special place in the hearts of our clients.
