DELTA PLC

About Us

United Control Engineers India Private Limited, is a globally renowned company which provides Industrial Automation Products, switching power supplies, and a specialist solution provider for power management, components, visual displays, networking products and automation engineering. It's rich experience in power electronics and vast knowledge in control technology have catapulted it to the leadership position within the global industrial automation segment. The company's organizational mission has to provide clean, and efficient energy solutions for a far better tomorrow. Has 18+ years' experience in Industrial Automation field.

As we are dealing in power supplies and power management products, we chose this global power electronics giant for its specialization in aforesaid range of products. Its range including AC Drives, VFD, PLC, Servo Drives, HMI, PID, panel Box, Electrical Junction Box and lots of other meticulously designed and developed products are loaded with several general and technical excellence features like energy-saving designs, compact size, easy installation, high compatibility index, operational efficiency, programmable controls, and other outstanding attributes. The products are reliable, quality proven and fits perfectly in every client's requirement. As a certified distributor of industrial Automation & Switchgears Products, in India, we are meet all types of needs of our domestic and international clients.

Key Facts

Nature of Business	Distributor
Primary Competitive Advantages	surge protection device,industrial panel pc,delta servo motor,delta servo motor,delta plc,delta hmi,ac drives,screw terminal block,abb contactor,abb mcb
No of Staff	25
Year of Establishment	2001
OEM Service Provided	No
ProductRange	surge protection device,industrial panel pc,delta servo motor,delta servo motor,delta plc,delta hmi,ac drives,screw terminal block,abb contactor,abb mcb

Our Products

MCB Channel

Delta SMPS

ABB MCCB

ABB MPCB

ABB MCB

Delta Scada

Delta PLC

DELTA HMI

DELTA Servo Motor Drive

PVC Wiring Channel

DELTA AC Drive

ABB Contactor

ABB OLR - Overload Relay

Relay Modules

Delta Industrial PC

Junction Box
