

MANUFACTURER, SUPPLIER

## CUT TO LENGTH MACHINE

Auto Blanking Line Machine, Automatic Circle Cutting Machine, Automatic Coil Slitting Machine, Automatic Shearing Machine, C Type Power Press Machine, CNC Back Gauge Bending Machine, CR Slitting Line Machine, Cold Rolled Cut To Length Line Machine, Compact Pneumatic Feeder, Double Head Decoiler Machine, HR Coil Cut To Length Line Machine, Heavy Duty CR Cut To Length Line Machine, Heavy Duty Pneumatic Feeder, etc.

**CUT TO LENGTH MACHINE**

**HIGH SPEED CUT TO LENGTH LINE**

**AUTOMATIC CUT TO LENGTH MACHINE FOR CR COILS**

## About Us

Our budding company, Highmach CTL India Private Limited, holds a reputation in the market for being one of the most trustworthy manufacturers and suppliers of heavy-duty industrial machines. Our offered range includes items like HR Coil Cut To Length Line Machine, HR Cut To Length Machine, ERW Welded Tube Mill Machine, Industrial Tube Mill Machine, Automatic Coil Slitting Machine, and more. We procure high-quality and trusted raw materials from the most reliable vendors in the market. These people are selected based on various criteria, such as their attitude towards handling any business, the quality of their products, the price at which they supply them, and the time they take to finish any project. By projecting the same values in us that we look for in our vendors, we ensure total customer satisfaction.

A new name in industrial products manufacturing market is Highmach CTL India Private Limited. Our area of expertise is providing a wide range of manufacturing products like CR Coil Slitting Line, Industrial Decoiler Machine, Automatic Sheet Shearing Machine, Automatic Sheet Leveler Machine, CNC Back Gauge Bending Machine, and more. Customer centricity, technological innovation, quality excellence, and robust service infrastructure are values that our company hold dear. Built with many years of process technology knowledge and solid competence, we provide high-quality goods that are manufactured with accuracy, guaranteeing maximum lifetime and efficiency. Our products enable optimal value output and ease of operation through superior technical features and automation support. We have been in this industry since 2020, and have been conducting our business operations out of Ghaziabad, Uttar Pradesh, India. Today, we are known as one of the leading manufacturers and suppliers of the above mentioned items.

Key Facts

No of Staff	35
Year of Establishment	2020
No of Production Lines	20
OEM Service Provided	No

## Our Products

**Industrial Tube Mill Machine**

**CR Slitting Line Machine**

**Automatic Coil Slitting Machine**

**Mild Steel CR Slitting Line**

**HR Coil Slitting Line**

**Industrial Cold Rolled Cut To Length Line**

**HR Coil Cut To Length Line Machine**

**Cut To Length Machine-Coil Cutting**

**Slitting Line For Coils**

**10000 MT Cut To Length Line Machine**

**Stainless Steel Tube Mill Machine**

**SS Cut To Length Machine**

**Cold Rolled Cut To Length Line Machine**

**Industrial Sheet Metal Cutting Machine**

**HR Cut To Length Machine**

**Automatic Coil Slitting Machine**
