About Us

It has not been more than half a decade since we, A.M. Overseas, have been setting the bar high for other market players. We are engaged as a manufacturer and supplier of a comprehensive range of glass bottles and glass jars. The Tomato Ketchup Bottles, Salsa Jars, Apple Matki Jars, Milk Bottles, and other products that we serve are outstanding in terms of quality. We manufacture the products using the finest quality raw materials available on the market. Post-production, backed by our team of deft professionals, we examine each and every product several times. Durability, resistance to breakage, sturdiness, and design are some of the features on which we test the products. The ones that stand clear on all grounds are made available in the market in return for budget-friendly prices. We set the prices as per the leading market rates. Any customer from any part of society can easily buy our products.

At our robustly constructed warehouse, we safely store our entire product range and further pack each and every product using the ideal packaging materials. Our warehouse is the backbone of the organization. It serves as a perfect destination to safely and effortlessly store and retrieve our products.

Since the beginning, we have been staying ahead of our competitors because of the hard work our professionals put in as a team. Each and every professional at A.M. Overseas realizes the significance of teamwork and exhibits the requisite skills to be a perfect team member. Different professionals bring different skill sets and experiences to the table, making it easier for everyone on the team to give their best. With so many talented and experienced professionals working together as a team, we accomplish our business objectives with complete perfection. Also, we credit the consistent efforts of our team members in carrying out the prompt production of our range of innovative Salsa Jars, Apple Matki Jars, Milk Bottles, Tomato Ketchup Bottles, and others.
