About Us

Explore the quality driven world of Studio Global Decors Private Limited- a manufacturing company from Kolkata in West Bengal that specialises in PS Charcoal and WPC Louvers. We stand tall as an exceptional company that is run by an equally exceptional leader like Mr. Amrendra Kumar. Establishing our foundation stone on his steadfast dedication to producing superior grade products, we have so far upheld our quality standards and satisfied many customers from across the domestic market.

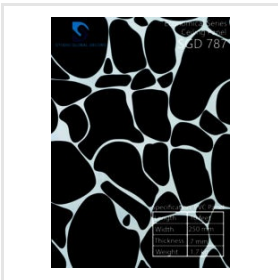

We began manufacturing with our vision to lend a unique design edge to outdoor spaces with sustainably produced, aesthetically pleasing louvers and other products. Today, our manufacturing works are done as per our strict sustainable benchmarks. We network with eco-conscious vendors for sourcing eco-friendly materials like wood fibers, plastics, and additives, also encouraging every employee to abide by our set quality standards. We also participate in many reforestation efforts so that we can keep our carbon footprint as a manufacturer to the minimum.

Looking for products that excel in durability, cost and aesthetics, then choose Studio Global Decors Private Limited as your buying destination.
