## About Us

Manidhar Overseas is one of the reliable manufacturers and exporters of quality products including the finest Red Kidney Beans, Fresh Coriander Seeds, Fresh Curry Leaves, Indian Dry Figs, etc. Ensuring quality and reliability, our company sources these products directly from the best farms in India. Further, our products are packed with great care by holding on to the natural freshness and flavors. Being a company committed to delivering authentic high-quality products in global markets, we take pride in supporting sustainable farming practices and strong relationships with clients. At Manidhar Overseas, we bring forth the rich flavors and health-giving benefits of Indian agriculture for the world to enjoy.

Manidhar Overseas, based in Visakhapatnam, Andhra Pradesh, India, is a leading manufacturer and exporter of Sage Herb Leaf, Organic Dry Fruits Pista, Yellow Fenugreek Seeds, etc. We leverage our strategic location to efficiently source, process, and distribute high-quality agricultural products to markets around the world. Our company is committed to delivering authenticity and excellence in every product, backed by our state-of-the-art infrastructure and quality control systems. We pride ourselves on supporting sustainable farming practices and providing our clients with the finest products that reflect the rich agricultural heritage of India.
