About Us

Established in 2011 in Baihata Chariali near Guwahati, Assam Tirpal House has grown to become a leading supplier of quality products and equipment for broiler farmers and farm equipment vendors across Assam and North East India. Our mission is to ensure that every customer receives top-notch products that meet their farming needs.

Since our inception, Assam Tirpal House has been dedicated to delivering excellence. We understand the critical role that high-quality equipment plays in successful broiler farming. Our stringent quality control processes ensure that every item we supply meets the highest standards of durability and performance.
