About Us

At Prolong Engineering, we specialize in providing advanced flooring solutions that deliver strength, durability, and long-term performance. Established in 2021 and headquartered in Pune, Maharashtra, we are a trusted service provider, trader and supplier in the flooring industry. Our expertise lies in delivering customized flooring services that meet the highest standards of quality and safety. We offer a comprehensive range of professional flooring services, including Epoxy Flooring Services, Industrial Epoxy Flooring Service, PU Floor Coating Service, ESD Epoxy Flooring Service and Parking Deck Flooring Service. Each service is designed to cater to the specific requirements of diverse industries and commercial facilities. With our modern techniques and skilled workforce, we ensure every project is executed with precision and attention to detail, resulting in surfaces that are not only functional but also visually appealing.

We strongly believe in building lasting relationships with our clients by offering personalized services. Every project is approached with a clear understanding of the clients needs, budget, and timelines. By combining technical knowledge with professional execution, we deliver results that exceed expectations. Whether its a large industrial facility or a small commercial project, we approach every assignment with equal dedication. As a young and dynamic company, we are committed to continuous growth and improvement. We actively adopt new technologies and practices to remain at the forefront of the industry. Our vision is to become a reliable partner for businesses seeking durable and sustainable flooring solutions, while consistently maintaining transparency, reliability, and professionalism in our work.
