About Us

Personal Protective Equipments (PPE) are an indispensable part of hazardous industries, where the workers are always in the vicinity of lurking danger. These protective devices reduce the workers' exposure to hazards and make their working environment more safe. Different jobs require different levels of protection. Mayur Industrial Corporation provides an array of protective garments, equipments and accessories to meet these varying needs.

We are a leading manufacturer and supplier of welding equipments, safety equipments and security equipments. Our catalog includes Welding Holders, Regulators, Welding and Cutting Torches, Safety Cones, Safety Nets, Safety Belts, Reflecting or Safety Jackets, Search Lights, Signal Light Batons, Hand Held Metal Detectors, Safety Helmets, Safety Shoes, etc. Our Safety Jackets, Safety Helmets, Safety Shoes, etc. provide safe protection from various hazards including toxic particles, light liquid splash and non-toxic particles such as dirt and grime.
