About Us

The Indian Footwear Industry is growing at a rapid speed in the global market. Its rank in the global chart of footwear production is second, Number one being China. The demand of innovative footwear is one of the major reasons of new companies entering this industry and trying their luck. Designing innovative footwear since the year 1980 and largely contributing in the growing Indian Footwear Industry along with many big and small names of the industry is Jindal Footwear Industries.

Located in Delhi, the heart of India, as a manufacturer, we keep the interest of people in buying new footwear alive by making trendy as well as comfortable pairs. The line of footwear we produce contains Ladies Sports Shoes, Mens Formal Shoes, Kids School Shoes, Kids Sandal, Boys School Shoes, Ladies Belly, to mention a few. We believe that one thing is considered majorly by customers while purchasing footwear and that is quality. So, here we are making large investment in sourcing supreme quality rubber, sole, plastic straps, velcro, and other materials. These quality materials work for us as the base of producing quality footwear. Our brands namely, Jindal and Microtop are available for distributorship.
