About Us

Shivam Irrigation Works Private Limited is a well-recognized name in the industry for offering a commendable range of HDPE and MDPE pipes and fittings. We are registered manufacturers and suppliers in the industry and are admired for our customer-centric approaches. Our success story dates back to when we established our foot in the market in 1993. Since then, we have been growing exponentially, gaining an edge over our competitors. Today, customers from all over the country choose us to fulfill their requirements for HDPE Pipe Bends, MDPE Round Pipes, Black HDPE Coil Pipes, MDPE Coil Pipes, and other products.

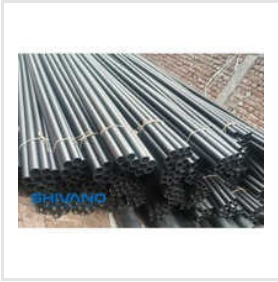

Since 1993, our Bhiwani (Haryana, India)-based company, Shivam Irrigation Works Private Limited, has been continually bringing a revolution to the industry by delivering a range of robustly manufactured HDPE and MDPE pipes and their fittings. We specialize in MDPE Coil Pipes, Black HDPE Coil Pipes, MDPE Round Pipes, HDPE Pipe Bends, and other products. Fabricated at our ultramodern manufacturing unit under the supervision of our professionals, all our products are long-lasting, precise in design and shape, resistant to corrosion, and exceptionally sturdy. To make sure a wide audience gets their hands on our products, we price all of them as per the market-leading rates. Hence, all our products are available in exchange for affordable prices. At our organization, customers can get the best-in-class products at a minimal expense; there is no doubt why we are their favorite choice.
