About Us

We, Abhis Pharma Specialities, take great pleasure in our constant dedication to the health of people and communities around the world as a top supplier of pharmaceutical products. Our business has a long history of providing top-notch medicines and healthcare solutions, solidifying its position as a reliable partner in the pharmaceutical sector. We are thankful to our partners for supplying us effective and safe to use products like Hair Care Products, Face Wash, Vitamin And Mineral Softgel Capsules, Pharmaceutical Gels, and more.

Customers looking for Pharmaceutical Creams, Hair Care Products, Pharmaceutical Capsules, Pharmaceutical Tablets, etc. are welcome at Abhis Pharma Specialities. We run our business out of Mumbai, Maharashtra, India and are serving worldwide customers with our quality array. It was in the year 2008 when we inaugurated our company with an emphasis on client satisfaction growth. We have carefully selected our manufacturing partners after ensuring they are knowledgeable and quality driven. Further, we have developed a strong supply chain management to deliver products at customers doorstep within a promised duration.
