About Us

Kirti Steel Industries has established itself as the leading trader and supplier of the highest quality fasteners, bolts, nuts, washers, etc., to many significant enterprises in the private and public sectors over many decades. Founded in 1970, Mr. Kirti Kathar saw the critical need for high-quality Hot Forged Half Thread, Full Thread Bolt, Hex Bar Nuts & Hot Forged Big Size Nuts, etc., for a wide range of commercial and industrial applications. With the help of a group of specialists, he sought the top fastener producers on the global market. Because we recognize that the needs of different clients vary, we have samples of several models on hand to ensure that the needs of each customer are met quickly. We can offer any stainless steel fasteners and other hardware. We also hold enough stock of all sizes to suit the urgent or bulk requirements of our valued clients.

Mr. Kirti Kathar realized the crucial requirement in the public and private sector industry for good quality of fasteners, nuts, bolts, washers and other hardware for wide range of industrial applications. He formed Kirti Steel Industries in 1970, with the support of a group of professionals and located the best manufacturers of fasteners in the international market. Since we understand that the need of different clients vary and so we keep samples of various models, so that every need of the customers can be expeditiously executed. We can supply any type of S.S. Fastners and other hardware and also keep ample stock of all standard sizes in order to meet the urgent and/or bulk requirement of our valued clients. We have been regularly supplying our hardware items to various industrial concerns of repute in the public sector and private sector to their utmost satisfaction.
