## About Us

The promotion of any product in the market depends fully upon its packaging. With an aim of fulfilling this requirement, we, Raghuvanshi Industries, came into market in the year 2004. We are counted as a sought after manufacturer and supplier of a wide series of packaging material and machinery. Our product range includes Food Packaging Materials, Pharmaceuticals Packaging Materials, Flexible Packing Laminates In Roll Form, Sealing Machine, to quote a few.

A modern infrastructural setup strategically located in Vasai and installed with modern technological advancements assists us to meet the bulk demands of clients regarding packaging across the globe. We have skilled experts with vast industrial experience who carry out the entire manufacturing, packing and delivery process. We use the latest Rotogravure printing using 6 to 8 different colours as well as soft packaging material so as to bring forth superb printing and excellent finish in the product ambit. Mr. Nalin Thakkar formed this company many years ago to revolutionize packaging industry and the way companies, engaged in food, chemical, cosmetics, pharmaceutical and many more, pack their products. His excellence and knowledge of this field is motivating all the employees to work better.
