AUTOMATIC THREAD ROLL MACHINE

About Us

Easing the complicated, tiresome and labour-intensive process of manufacturing bolts, rolling threads and more became one of the major reasons for Mr. Balbir Singh establishing B.S. & SONS in the year 1987. Today,, our company is growing greatly across the nation with the support of Mr. Avtar Singh (Son of Mr. Balbir Singh) who is putting new ideas to use and ensuring customers trust in company name remains same.

We are among the most respected manufacturers of the Ludhiana, Punjab (India), known and trusted for innovating Fully Automatic Trimming Machine, Hydraulic Thread Rolling Machine, Cold Forged Heading Machine, High Speed Fastener Trimming Machine, Semi Automatic Bolt Head Trimming Machine and many more. Our offered machines are cost-efficient, longer serving and performance oriented. Customers largely believe in our company because we maintain a quality-rich and robust portfolio of machines.
