ABOUT US

The Preferred Supplier of Palm Based Products

OILLIO COMMODITIES (formely known as Emerging Trend Global), a prominent Malaysian-based company established in the year 2003, has emerged as a leading supplier of Vegetable Oils, fats, and their Derivatives products in the global market. What started as a humble venture catering primarily to South Asian countries has now blossomed into a thriving enterprise, proudly serving a diverse clientele spanning over 60 countries across Asia, The Americas, Europe, and Africa.

Committed to upholding the highest standards of professionalism and customer service, OILLIO COMMODITIES continually strives to surpass expectations, nurture lasting relationships with existing clients, and forge new partnerships to enhance the overall business value. Evolving dynamically over the years, we have diversified our product range to effectively meet the evolving needs of a broader customer base.
