Committed For Engineering

Codezi

Engineering Solutions Pvt Ltd.

ABOUT US!

Welcome To Codezi Engineering Solutions!

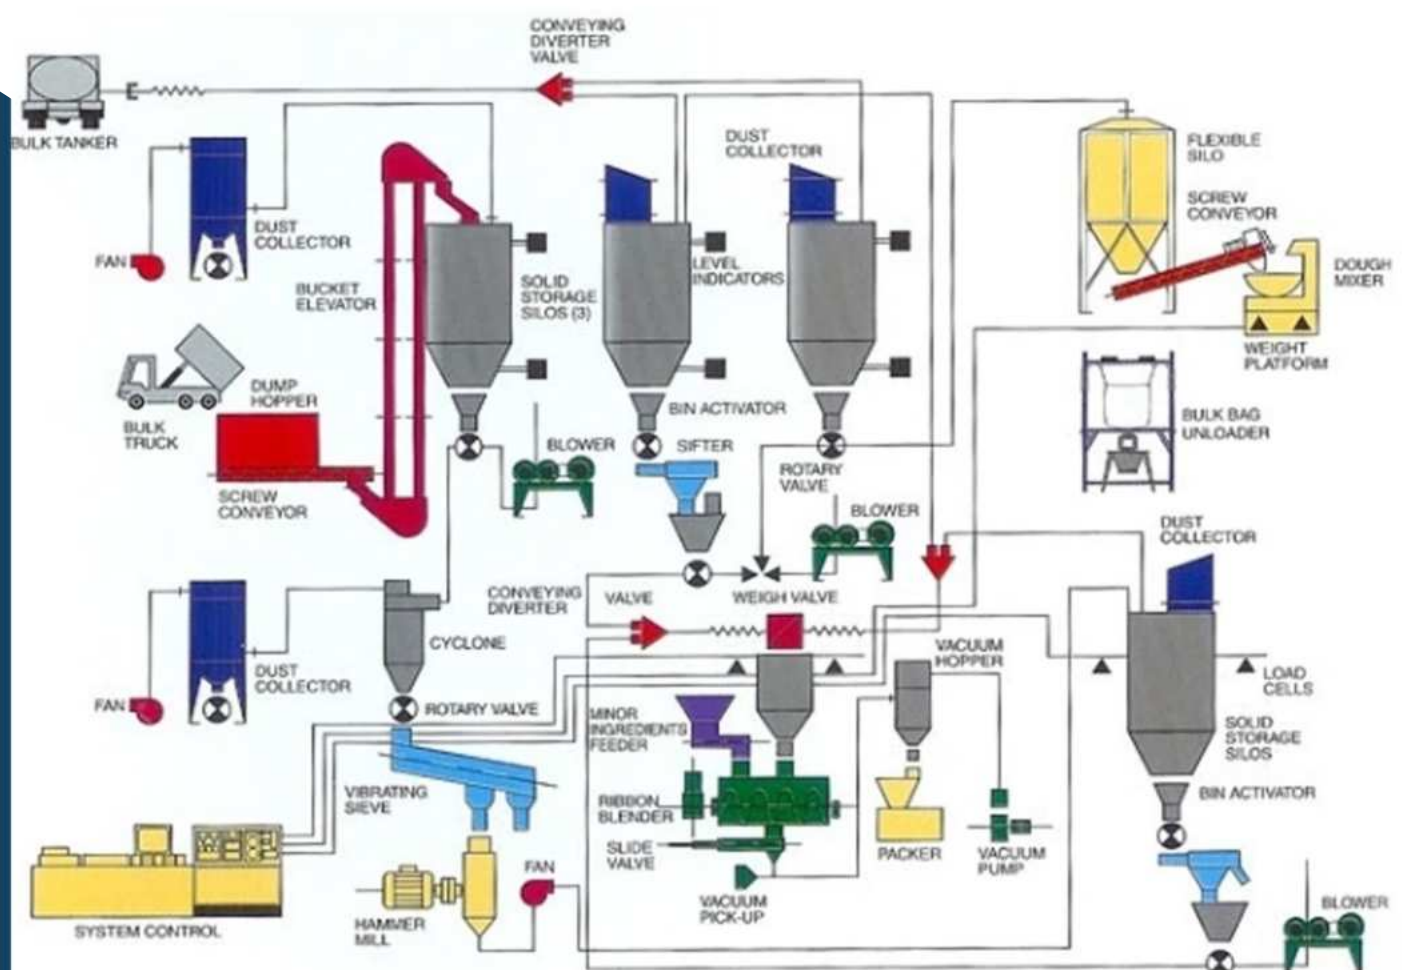

Codezi Engineering Solutions Pvt Ltd delivers reliable turnkey material handling systems and fabrication services. With expert engineers, advanced technology, and high-grade materials, we ensure quality, durability, and performance. From design to after-sales support, we help boost productivity with precision-engineered solutions tailored to your needs. Trust us for seamless industrial efficiency.

Our Vision

To be the most trusted partner in delivering innovative, efficient, and durable material handling and fabrication solutions that drive productivity, safety, and long-term growth.

Our Mission

To deliver turnkey industrial solutions with advanced engineering, quality craftsmanship, and reliable service—ensuring precision, timely execution, and maximum client satisfaction.

PRODUCTS

- **Turnkey Solutions for – Material Handling Systems**
- **Manufacturing of Material Handling Equipment**
- **Fabrications of Tanks & Hoppers (Ms & Ss)**
- **Fabrication of Steel Strctural**
- **Spares/ Supply / AMC of Material Handling Systems**

PRODUCTS

TURNKEY SOLUTIONS FOR MATERIAL HANDLING SYSTEMS

A turnkey material handling system includes everything needed to smoothly move, keep, control, and relocate materials in a plant. With turnkey management, we handle everything, including design, making the equipment, setting it up, and helping to use it, so vendors are unnecessary.

Material Handling Systems We Deliver,
BATCHING SYSTEM | WEIGHING SYSTEM
FEEDING SYSTEM | DOSING SYSTEM
JUMBO BAG FEEDING SYSTEMS
