About Us

Established in 2001 and headquartered in Chandigarh, India, Lube Tradeways has built a strong reputation as a trusted distributor and supplier of high quality lubricants. With over two decades of experience in the industry, we have consistently catered to the diverse lubrication needs of industrial, commercial, and manufacturing sectors across India. We specialize in a wide range of premium products, including Gear Oil, HP Knitting Oil, Industrial Rubber Processing Oil, Sewing Machine Oil, HP Industrial Oil Lubricants and so on. Our portfolio is carefully curated to ensure optimal performance, reliability, and longevity of machinery and equipment, helping businesses achieve smooth operations with minimal downtime. Our commitment extends beyond just supplying products. We strive to provide personalized solutions, expert guidance, and timely delivery, ensuring our clients receive the right lubricant for every application. By partnering with renowned manufacturers, we guarantee products that meet the highest industry standards for quality and safety.

Over the years, we have grown into a trusted partner for industries seeking efficiency, reliability, and superior lubrication solutions. Our focus on excellence, customer satisfaction, and innovation continues to drive our mission: to deliver top tier lubricants that enhance performance, protect machinery, and contribute to the success of every client we serve.
