SS WIRE MESH

About Us

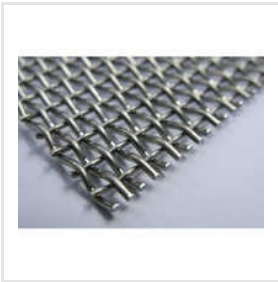

Shankar Weldmesh Pvt. Ltd., established in 2010, is one of India's leading manufacturers and suppliers of high-quality wire products, with a production capacity exceeding 10,000 MT per annum. Our journey began in 1982 with the founding of Shankar Hardware Syndicate, followed by the opening of a retail outlet in Kolkata in 1995. In 2000, we further expanded by opening another trading outlet, Shankar Wiremesh House, at Raipur, Chhattisgarh. Based on years of experience and growth, we started commercial production of the wire products under the name Shankar Weldmesh Pvt. Ltd. in the year 2010.

As a trusted manufacturer and supplier, we specialize in a wide variety of wire products, including Stainless Steel Wire Mesh, SS Wire Mesh, Hexagonal Wire Mesh, and Crimped Mesh. We are a company certified as an MSME, NSIC, BIS, ISI, and ISO company, striving to provide top-notch quality to cater to various industrial needs throughout India and globally.
