About Us

Mediboost Pharma is a company with a solid reputation for being a leading manufacturer and supplier of pharmaceutical products in the country. We have customized our product range, keeping in mind the requirements of our clients and current market trends. Our offered range includes Dandruff Free Shampoo With Tea Tree Oil, Health Supplement, Liver Syrup, Pain Relief Medicine, Pantoprazole Drugs, and more. We assure our clients that all the products manufactured by us are quality-assured. We make no compromises with the health of people, and for the same reason, we pass our items through a series of tests to ensure their quality matches international standards.

Ever since our establishment in 2022 in Sangrur, Punjab, India, we, Mediboost Pharma, have manufactured and supplied a wide range of products, including Anti Allergy Syrup, Antibiotic Syrup, Antihistamine Medicine, Antipyretic Syrup, Dry Syrup, and more. We are backed by our capacious warehouse area, which helps us meet the bulk and urgent requirements of our clients. Proper temperature, pressure, and humidity conditions are maintained to ensure the long life of our items.
