About Us

Saera Electric Auto Ltd. Excels in catering customers demands associated with 2 Seater Golf Cart, 2 Seater Plus Cargo and more. In order to carry out the production process of the mentioned item, we have installed modern production facilities at our unit. Further, we have hired innovative minds in our manufacturer and supplier company who help us to design and develop the entire array with perfection.

Since 2011,we have been dominating the respective industry with our quality products and aim to maintain a strong track record in future too. We also keep an eye of the latest advancement in our domain and includes that features in our products. Apart from this, our entire team up-skills them by attending the seminars and workshops organized for them by the management. In order to place the produced goods in safe manner, we have constructed a spacious warehousing facility that is unified with security systems and digital lock facilities.
