About Us

Established in the year 2016, High Mast India, has emerged as a prominent name in the field of lighting and infrastructure solutions. Operating as a Sole Proprietorship (Individual) firm, we have steadily grown through dedication, innovation, and a strong commitment to quality. Today, we are recognized as one of the leading manufacturers of a wide range of poles, including Dual-Arm Street Light Pole, Octagonal Street Light Pole, SS High Mast Pole, SS Octagonal Pole, etc. Our products are designed with precision, adhering to the latest industry standards and engineering practices.

We utilize high-grade raw materials and advanced machinery to ensure durability, structural integrity, and aesthetic appeal. Every product is manufactured under stringent quality controls to meet the specific needs of urban and rural lighting projects. Our infrastructure is supported by skilled professionals and modern facilities that enable us to meet bulk demands efficiently and on time. Under the visionary leadership of Mr. Amit Santra, we have achieved remarkable growth and built a strong reputation in the market. His strategic direction and unwavering focus on customer satisfaction continue to drive our journey toward excellence.
