About Us

With sincere efforts and hard work, today, KB Masale has achieved a top-most position for itself in the Indian food & spice industries. Started the unforgettable journey in 1990, we are famous as a trusted manufacturer, trader and supplier of Sabut Dhaniya Seeds, Cumin Powder, Black Jeera Seeds, Saboo Dana, Black Pepper, Methi Seeds and more. We process the spices and other food items using natural ingredients which we source from the reliable sources of the industry. Over the period of time, we have grown & expanded our business wisely in different nooks & corners of the country. This helps us in easily connecting with the buyers living in several parts of India and understand their particular business needs.

We have a clean & hygienic production division where all the goods are processed in accordance with the industrial standards & guidelines. The company has a group of proficient and skilled personnel who make sure that the highest standards are maintained during the manufacturing stages. Further, our professionals use the amenities like machinery & technologies in the best possible way to increase the productivity and quality of the offerings. With the combined efforts of our team, the company is constantly growing and achieving milestones.
