About Us

We are a licensed company registered by the name Adinath Forged India. We are a reputed manufacturer and supplier of a wide range of products such as Stainless Steel Reducing Tee, Alloy Steel Forged Pipe Fittings, Stainless Steel Fastener, Pipe Elbow, etc. Our AFI factory was established to produce all varieties of fittings, flanges, and fabricated pipes in accordance with national and international standards as well as specific customer requests, specifications, and drawings for use in refineries, petrochemicals, chemicals, oil & gas, fertilizers, pharmaceuticals, food, and beverage production. We are located in the Thane districts Murbad MIDC, close to Kalyan.

A vast range of modern tools and machines are used during every stage of manufacturing, including forging, welding, machining, and testing, which simplifies our tasks. Each material is controlled throughout all stages of manufacturing thanks to strict QA & QC protocols and external chemical & mechanical laboratories that are well-equipped to undertake both destructive & non-destructive tests. We provide original Material Test Certificates, Laboratory Test Certificates, Third Party Inspection Certificates, Guarantee Warranty Certificates, and Laboratory Test Certificates that have been approved by the government or Lloyds for the supply.
