About Us

TJP Exports introduces itself as a premium manufacturer of high quality Rubber Floorings. Years ago, in 1988, we started our business with the name, Thomson Rubbers. The company was founded by our father, Mr. P. K. Thomas, who is called a veteran of the industry. In the business journey, we have had the best lessons because of which we put high attention on quality. The quality of our products is excellent, it is as good as it was four decades ago, when we commenced our operations. We follow strict quality control practices at all levels to remain the most preferred manufacturer of Bubble Door Mat, Heavy Duty Entrance Mat, Modern Grill Door Mat, Restaurant Hollow Floor Mat, Triangle Top Cow Mat and many other types of mats.

In the flooring mat industry, we have attained excellent growth and success. The credit for this exponential growth is given to the matchless quality of our mats. Each piece that we add to our portfolio for offering to customers, is meticulously examined to meet the diverse requirements of the industry. We make use of pure natural rubber for developing our product-line in accordance with the norms of the industry.
