AGITATOR**

## About Us

Rudraksha Engineering is a renowned manufacturer and supplier committed to delivering high-quality industrial equipment such as Helical Agitator, Helical Agitator, Static Mixer, Worm Type Chemical Agitator and many more products. Based on a foundation of innovation, precision, and engineering excellence, we cater to a wide range of industries that demand reliability, efficiency, and performance. Our products are designed using advanced technology and superior-grade materials to ensure durability and long-lasting service under the most demanding conditions.

We prioritize customer satisfaction through consistent quality, timely delivery, and customized solutions tailored to specific industrial needs. With a dedicated team of skilled professionals, we maintain strict quality control measures at every stage of the manufacturing process. Backed by industry expertise and a commitment to continual improvement, we aim to be a trusted partner for industries looking for dependable and high-performing process equipment. We are proud to contribute to our clients operational success through our engineering excellence.

## Key Facts

<b>No of Staff</b>	15
<b>Year of Establishment</b>	2019
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No

## Our Products

**Auto Polymer Dosing System**

**Lp Hp Dosing System**

**Chlorine Dosing System**

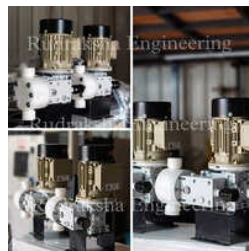

**Inline Helical Agitator**

**Bladder Type Pulsation Dampener**

**Static Mixer For Chemical Industry**

**Mechanical Diaphragm Pump**

**Polymer Dosing System**
