About Us

As a well-known manufacturer and supplier, Vikas Industries has more than 6 years of experience in the production of industry-used machines. Our company is well-known and has a great deal of experience in producing Industrial Injection Moulding Dies, Commercial Injection Moulding Dies, Mono Layer Single Die Extruder, ABA AB Co-Extruder, ABC Co-Layer Extruder, and more.

Our goods, which are made from premium-grade, thoroughly inspected raw materials, are well-known for being incredibly dependable, sturdy, and corrosion-resistant. In order to determine whether it satisfies the requirements for international quality, we also subject it to a battery of quality assurance tests. The key to the potential of any company lies in its invisible support system. A group of incredibly hardworking professionals with years of experience in the field support us. Following a rigorous selection process, these individuals are hired and placed in various teams according to their qualifications and strong points. They always cooperate so that we can finish any assignment we embark on.
