About Us

Established in 1999, Good Luck Gasket Industries, is a renowned manufacturer and supplier specialized in the manufacturing and supply of high-quality gaskets. Our diverse product range includes Cylinder Head Gasket, Diesel Engine Head Gasket, Head Gasket, Copper Products, etc. We prioritize premium-grade materials in our manufacturing processes, ensuring the superior quality of our products. With a robust infrastructure comprising a dedicated production unit, we conduct all manufacturing and finishing operations efficiently. Guided by the expertise of Mr. Rakesh Kapoor, our organization has flourished under his leadership. His invaluable guidance has enabled us to establish a prominent presence in the domestic market, delivering quality gaskets to our esteemed clients.

FCP India excels in catering to customers demands associated with Pipette Gasket, Copper Washer, Tractor Cylinder Head Gasket, Index Cylinder Head Gasket, etc. Based in Delhi, India, we have gained immense popularity in the nationwide market.
