About Us

AirBio Technologies Private Limited is a manufacturer, supplier, service provider, and exporter of innovative solutions for a variety of sectors. The company was founded in 2023 and has its headquarters in Ghaziabad. One way in which we demonstrate our dedication to excellence is through the extensive product line that we offer under the names Pro Lab and AirBio. Products embodying accuracy, dependability, and cutting-edge technology are delivered under these reputable brands. All of the solutions we provide are examples of our dedication to quality. Our dedication to technical innovation, quality, and customer happiness has allowed us to quickly carve out a space for ourselves in the market since our establishment in 2023.

We offer a wide range of products that are designed to meet the needs of our customers. Our products include biosafety cabinets, laboratory furniture, pass boxes, modular clean rooms, HEPA filters, laminar airflows, static pass boxes, dispensing booths, electrical isolators, fume hoods, operation theaters, cold rooms, prefabricated shelters, laboratory microscopes, vortex mixers, Epoxy coating services, vibrating tables, centrifuge machines, and more. Our products and services are designed to meet the needs of many sectors, guaranteeing exceptional performance and quality.
