About Us

Vijay Castor Private Limited is known in the market as one of the leading manufacturers, suppliers, wholesalers, and exporters of quality products. Our product range includes items like Chair Wheel, Clamp Bearing Type CI Rubber Wheel With Brake Option, Heavy Duty Spring Loaded Clamp Bearing Type CI Wheel, Heavy Duty Clamp Bearing Type CP Wheel With Brake Option, Leveling Castor, and more.

We set out on a remarkable journey to put our wheels in motion while making a lasting impression in the fiercely competitive and constantly expanding castor wheel and similar market. Our goal was to cast amazing and dependable technology and deliver them at market leading prices. We engage in the creative manufacture of a wide range of quality products. We aim to constantly improve the technology and efficacy of our products with the help of our research and development unit. Understanding the requirements of our clients and producing products accordingly, listening to their queries, and responding to them in the best possible way are a few steps we take to ensure total customer satisfaction.
