## About Us

Nutrimed Dairy LLP is a reliable manufacturer, supplier, and exporter of Medolac Baby Food Cereal With Milk, Medolac Apple And Milk Baby Food Wheat Cereals, Medolac Wheat And Vegetable Baby Food Cereals With Milk, Medolac Apple And Milk Baby Food Wheat Cereals, Medomil LBW Baby Milk Powder, and more. Our products are safe to consume, quality assured and tested. Our company operates a highly advanced cold temperature controlled warehouse, the sole facility of its kind in India, which maintains exact temperatures ranging from 16°C to 22°C for various raw and packaging materials, alongside a specialized range of 0°C to 4°C for dairy products to guarantee optimal preservation. Their sophisticated packing capabilities encompass high-efficiency tin canning with a daily production of 40,000 cans, pouch manufacturing at 50,000 units per day, jar packaging for up to 10,000 jars daily in diverse sizes, and Bag-in-Box (BIB) packaging with a daily capacity of 5,000 units.

The facility is outfitted with cutting-edge technology, including automated fillers, can seamers, x-ray systems, and metal detectors to ensure stringent quality control. Our dedication to product excellence is further highlighted by our extensive quality assurance program, which includes specialized laboratories for raw milk analysis, chemical and product testing, and microbiological evaluations, all equipped with the latest instruments to maintain the highest standards of quality and safety.
