The Essence of *Living*

Manufacturer
**CONCEALED CISTERN, FLUSH TANK &
TOILET SEAT COVER**

About
US

CROTON offers a range of concealed cisterns with access Plates which are suitable for floor standing back to wall and Wall mounted WCS. Front access brings a new dimension to Bathroom design. Now you are able to incorporate the croton concealed cistern in the bathroom as integral co-compromise of design access through a panel or service duct. Seamless surfaces combined with co-ordinated design enhance the look of your bathroom.

CROTON is setting new standards with its dual flush technology for concealed cisterns. Using existing croton air button technology, We have integrated this into the designed access features of **CROTON** wall plates.
