About Us

Globally noted for offering a comprehensive range of the finest chemicals and building trust, we, Lianyungang Qinglang Environmental Technology Co., Ltd., are one of the leading manufacturers, suppliers, and exporters in the industry. We specialize in a broad range of Acetate Chemicals, Manganese Series Products, Fluoride Powder, Bromide Chemicals, and other products. Manufactured at our well-engineered production unit, the products reflect a perfect pH value, longer shelf life, and high effectiveness. Electronic Grade Manganese Carbonate, Magnesium Bromide, Manganese Acetate Tetrahydrate, Potassium Magnesium Sulphate Fertilizer, and more are a few types of the aforementioned products.

We understand that no two customers might have the same requirements, which is why we strive to bring forth a comprehensive range of products. To date, no customer has left negative feedback for us; this reflects our excellence in business and commitment to customer satisfaction.
