About Us

PR Paper Industries India Private Limited is a trusted manufacturer, exporter, and supplier of premium quality Plain Craft Paper, High Strength Craft Paper, Plain Brown Craft Paper, Mg Sack Craft Paper, and Corrugated Craft Paper. Located in Nagpur, we have made a strong presence in the market in less than a decade. We are an eco-friendly company that adopts the best manufacturing practices. We make sure to use raw materials that do not leave behind trails or environmental impacts. By all possible means, we avoid practices that dent the ecological balance. We export the bulk of our production to overseas markets and further aim to consolidate our presence in those countries.

Most of the time, we make use of recyclable materials, or bagasse which is an eco-friendly material for the production of paper and all types of craft papers. Our in-house experts are well-versed in the environmentally best practices so that we do not engage in ecology-damaging practices. For production, we have installed modern machines in our manufacturing unit. The production facilities help us to manufacture a quality-assured range of stationery products. Our products are ideal for various types of creative activities, such as painting, sketch drawing, project works, and various others. Our appealing carry bags conform to current trends, and hence, are one of the most sought-after products in our range.
