

Low Voltage Encapsulated Current Transformer

Avail best quality products from a trusted name

0.2S CTS Metering Class, 0.2s and 0.5s Class Current Transformer, 0.5S CTS Metering Class, 11 KVA Electrical Power Transformer, 25 KVA Electrical Power Transformer, 5 P 10 10 P 10 Protection Class, Air Cooler Transformer, CT 100 5A Current Transformer, etc.

ENCAPSULATED COIL CURRENT TRANSFORMER

MINI CURRENT TRANSFORMER

CTS EARTH FAULT RELAYS

About Us

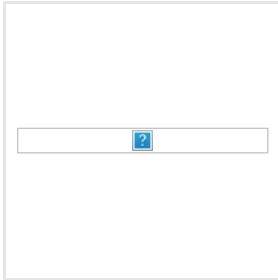

Our company, NRG Enterprises, is known in the market as one of the most renowned manufacturers and suppliers of transformers. Our product range includes Low Voltage Current Transformer, Ring Type Current Transformer, Core Balance Current Transformer, Low Tension Current Transformer, Standard Tape Protection Current Transformer, Instrument Transformer, and more. All our products are manufactured using high grade raw materials that are sourced from the most trusted vendors in the industry. These products are highly appreciated by our clients for their dimensional accuracy, durability, high performance, and damage resistance. We customize these products according to the requirements of our clients. This has helped us do business with many customers from all over the world. By including their specifications in these products, we aim to achieve total customer satisfaction. These specialized products are made using high tech machines, and we make sure that they comply with international standards of quality

Established in 2008, in Mumbai, Maharashtra, India, our company, NRG Enterprises, is known in the market as one of the leading manufacturers and suppliers of transformers. Our offered range includes Standard Tape Wound Type Current Transformer, Metering Current Transformer, CT ABS Moulded Tape Current Transformer, Industrial Current Transformer, Electrical Power Transformer, and more. Our products are in compliance with IS/REC standards. Our products find use in various industries such as textiles, automobiles, paper, etc. We offer our employees various on site trainings and other services to our clients, such as installation, and more. The manufacturing unit of our company is spread over a large area of land. We are well equipped with the tools and technology needed for the manufacturing and testing procedures.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	toroidal transformers,transformer coils,industrial transformers,resin cast current transformers,current transformer,ring current transformer
No of Staff	10
Year of Establishment	2008
No of Production Lines	1
OEM Service Provided	No
ProductRange	toroidal transformers,transformer coils,industrial transformers,resin cast current transformers,current transformer,ring current transformer

Our Products

Metering Current Transformer

Summation Current Transformer

Tape Insulated Current Transformer

0.2s And 0.5s Class Current Transformer

Epoxy Cast Low Voltage Current

Step Down Current Transformer

CT 100 5A Current Transformer

Low Voltage Encapsulated Current

CT Resin Cast Current Transformer

CT ABS Moulded Tape Current Transformer

Low Voltage Current Transformer

WPL Current Transformer

Rectangular Current Transformer

Wound Primary Current Transformer

Low Tension Current Transformer

Core Balance Current Transformer

ADDRESS

Gala No 106,107, Joukani Star
Premises, Opp of Smita
Complex, T-2 Road, Sakinaka
Andheri East, Mumbai,
Maharashtra, India (400072).
