About Us

We, Plaso India, have been assessing the always increasing requirements for roofing, facades and other solutions and completing them with our remarkable assortment. Since our establishment in the year 1998, we have been serving as a highly experienced supplier, trader, wholesaler and exporter of various roofing and other solutions. Customers can avail products like Color Coated Galvanized Roofing Sheet, Transparent Multiwall Polycarbonate Sheet, Alunova Aluminum Roof Gutter, Color Coated Steel Corner Roof Flashing, Polycarbonate Roofing Ridge, etc., from us. Over the years, we have achieved many milestones, the most notable of which is being the only agent of ONDEX SAS, France, a RENOLIT AG group company of Germany. We take pride in distinguishing ourselves as a roofing sheet solution company by introducing newer brands and products for national & international markets.

Since the incorporation of our company, Plaso India more than 24 years ago, our reputation has increased massively. Thanks to our many years of expertise and skills, we have gained the trust of numerous clients by exceeding their expectations for high-quality items. Our broad product range, which includes Solid Embossed Polycarbonate Sheet, PVC Bio Stretched Roofing Sheet, Aluminium Standing Seam Roofing Sheet, Oralium Aluminium Roof Flashings, FRP Rainwater Roof Gutter, Aluminum Roofing Ridge, etc., is always of the best quality since it is sourced from the most dependable vendors. Our premises is situated in the city of Kolkata, West Bengal, India, where we procure our products. Additionally, we have always maintained a totally honest framework when working with clients.
