

HYPERTHERM POWERMAX PLASMA CUTTER

YOUR PARTNER IN ALL RIGHT CHOICES

220842 Hypertherm Plasma Cutting Electrode, 220936 Hypertherm Max Pro 200 Retaining Cap, 220937 Hypertherm Plasma Cutting Electrode, 400 Amp Arc Welding Machine, 420044 Hypertherm Max Pro 200 Nozzle, Ex Trafire 100SD Air Plasma Cutting Machine, Ex Trafire 125HD Air Plasma Cutting Machine, Heavy Gantry Type CNC Cutting Machine, Hypertherm 105 Output Diode, Hypertherm 228285 Solenoid Valve, Hypertherm 228672 Kit, Hypertherm 228689 PMX65 Pressure Sensor, Hypertherm Max Pro 200 Retaining Cap, Hypertherm Max Pro 200 Shield, Hypertherm Maxpro 200 Plasma Consumables, etc.

HYPERTHERM PLASMA NOZZLES

**THERMACUT PLASMA
CONSUMABLES**

**HYPERTHERM MAXPRO 200 PLASMA
CONSUMABLES**

About Us

Welddor is a trusted manufacturer and supplier of high-quality Hypertherm Plasma Nozzles, Hypertherm Plasma Cutters, Air Plasma Cutting Machines, and Air Filters. With a strong commitment to precision, durability, and innovation, we provide cutting-edge solutions for the metalworking and fabrication industries. Our products are designed to deliver superior performance, efficiency, and reliability, ensuring seamless operations for our clients.

At Welddor, we focus on using advanced technology and high-grade materials to manufacture products that meet industry standards and customer expectations. Our dedicated team of professionals ensures stringent quality control, timely delivery, and excellent customer support. With a well-established distribution network and a customer-centric approach, we have built a strong reputation in the market. Whether for industrial, commercial, or specialized applications, Welddor is your trusted partner for high-performance plasma cutting solutions.

Key Facts

No of Staff	4
Year of Establishment	2024
OEM Service Provided	No

Our Products

Powermax 65-85-105-125 Air Filter

Hypertherm Powermax 65 Plasma Cutter

Ex Trafire 125HD Air Plasma Cutting

Ex Trafire 100SD Air Plasma Cutting

Hypertherm Powermax 85 Output Diode

Plasma Swirl Ring

Hypertherm Pmx 105 Plasma Consumables

420044 Hypertherm Max Pro 200 Nozzle

Hypertherm Max Pro 200 Retaining Cap

T-11840 Nozzle 105A Thermacut

Hypertherm 228285 Solenoid Valve

Hypertherm 228689 PMX65 Pressure Sensor

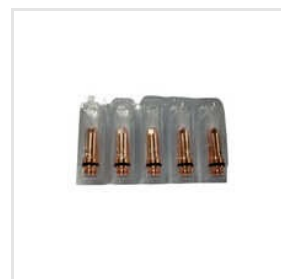

Hypertherm 228672 Kit

Hypertherm Solenoid Valve

Heavy Gantry Type CNC Cutting Machine

220937 Hypertherm Plasma Cutting
