About Us

At Glycon Industries LLP, we specialize in creating world-class Recreation Centers, Free Jump Hurdles, Rectangular Rope Courses, Donut Slides, Climbing Walls, Foam Tubes, Professional Trampolines, and Fully Automated Obstacle Courses. Established in 2021 in Pune, Maharashtra, our company is driven by the vision of transforming the Indian trampoline and recreation park industry with safe, innovative, and fully customized solutions.

Whether you need a brand-new trampoline arena, an upgrade for an existing setup, or unique recreational equipment designed from scratch, Glycon delivers top-quality products with unmatched service. Every installation we undertake is backed by strict safety compliance, premium materials, and a focus on creating memorable family entertainment experiences.
