## About Us

A name that outshines the cut-throat competition of the road safety and sheltering products market is ours. We are HS Engineering And Construction, a leading manufacturer and supplier of high quality Overhead Gantry Sign Board, Road Guard Rails, Highway Signs, Road Stud, Prefabricated Toll Plaza Canopy, EV Charging Station Shelter, No U Turn Sign Board, SS Bus Stop Shelters, and many other products. These are made with excellence by our personnel, who are well-aware of road safety rules, guidelines, and have analyzed many reports related to road accidents and safety as well as sheltering requirements. Each of our product is a masterpiece and made with excellence by our trained experts to fulfill diverse requirements of customers.

We also serve the industry as a service provider by rendering Road Marking Services, Foot Overbridge Fabrications Services, Industrial MS Fabrication Services, and many other solutions. Be it products or services, we render the best quality in both of them.
