About Us

NNTS Industries Private Limited is a rapidly emerging engineering company based in Udaipur, Rajasthan, India. Established in 2023, the company is engaged in the manufacturing, supplying, servicing, and exporting of high-quality crushing and material processing equipment. With a strong focus on innovation, durability, and performance, NNTS Industries is steadily building its reputation in the construction, mining, and industrial machinery sector. NNTS Industries Private Limited operates with the vision of becoming a trusted name in the field of stone crushing and mineral processing solutions. Despite being a relatively new company, it has quickly gained recognition for delivering reliable and efficient machinery designed to meet modern industrial requirements. The company emphasizes engineering excellence, quality manufacturing, and customer satisfaction as its core values.

NNTS Industries Private Limited not only manufactures equipment but also provides complete support services, including installation, commissioning, maintenance, and after-sales service. The company ensures that its clients receive continuous technical assistance for smooth and uninterrupted machine operation. Its skilled technical team works closely with customers to maximize productivity and equipment lifespan.
