Our long standing associations and partnerships with chemical manufacturers enable us to provide only premium chemicals. As a trusted exporter and supplier, we have been working closely with certified manufacturers and distributors to make sure that the standards we seek, are also adhered by our partners who supply to us. Our targeted products Glycerin BP, Polyethylene Glycol, Sodium Lauryl Sulphate, and others allow us to meet specific requirements of clients. We believe that working in close partnerships with clients and suppliers aid us in delivering high quality products and services and remain the first choice of partners for ongoing and future business deals.

J C Enterprises is a Mumbai, Maharashtra based chemical company which has been successfully positioned since 1990. Since then, we have expanded our product portfolio immensely by collaborating with leading manufacturers. Isopropyl Palmitate, Isopropyl Myristate, Coco Diethanolamide, etc, are few of the many offerings, that we stock in our storage facility to meet bulk and urgent requirements with ease. It is regularly guarded and is under constant supervision of experts to ensure products are safe in any condition. Packaging is equally important and we ship these chemicals in large size containers, depending upon requirement.
