**GINGER PROCESSING  
MACHINE**

## About Us

Established in 2017 and located in Pune, Maharashtra, Tekars Industries is a leading Manufacturer and Supplier of high-quality food processing and material handling equipment. We are dedicated to delivering performance-driven, cost-effective solutions tailored to modern industrial needs. Our product innovations and commitment to excellence have helped us become a preferred partner for clients across various sectors. We offer a versatile range of equipment including Fruit Juice Processing Plant, Ginger Processing Machine, Fruits Packaging Grading Line, Aluminium Assembly Conveyor and Flexible Roller Conveyor. Each product is designed with a focus on efficiency, hygiene, and ease of operation, catering to the evolving needs of the food processing and logistics industries.

We operate from a well-equipped manufacturing facility in Pune, housing advanced tools and precision machinery that support both standard and customized production. Our infrastructure includes specialized zones for fabrication, assembly, testing, and packaging. With a strong emphasis on quality control, each unit is thoroughly inspected before dispatch to ensure consistent performance and long service life. Our team continually upgrades systems and practices to maintain manufacturing excellence and operational reliability.
