About Us

Our organization, Calcutta Tubes, is a reliable supplier and trader of premium quality products like Chequered Plates, GI Angles, GI Pipes, Hollow Pipes, etc. serving various industrial and construction applications. Dedicated to excellence, we procure our products from well-established manufacturers, providing superior strength, durability, and corrosion resistance. With a focus on customer satisfaction, we aim to deliver reliable solutions at competitive prices, supported by timely service and effective logistics.

For whatever structural, fabrication, or infrastructure projects you may have, we provide materials that are industry-compliant and customer-specified. Our focus on quality and customer satisfaction distinguishes us in the market. Customers who have bought from us have always rated us highly, which encourages more word-of-mouth.
