About Us

Krishna Wirenetting Co. is a leading manufacturer and supplier of high-quality wire net and wire mesh products. We have a sophisticated and automated manufacturing facility that enables us to provide high-quality steel barbed wire, concertina barbed wire, GI wire mesh, aluminium wire mesh, stainless steel wiremesh, etc. We use high-grade raw materials sourced from reliable vendors to ensure consistency in our quality. We specialize in products such as GI mesh, GI wire, plastic net, PVC square net, stainless steel wiremesh, etc. Our products are highly suitable for the construction industry, agricultural fields, fences, etc. We have stringent quality standards that adhere to industry norms and established government protocols. Our products are available in diverse dimensions and can be ordered as per the required specifications.

Krishna Wirenetting Co. was established by Mr. Praveen Agarwal to provide high-quality wire netting and wire mesh products. Sensing the immense demand for wire netting and wire mesh products, he introduced specialised products with customisation options. We have a diverse product range that includes products such as steel barbed wire, concertina barbed wire, GI fencing net, GI wire mesh, aluminium wire mesh, stainless steel wiremesh, and other similar products. Reputed manufacturers use our products to manufacture a diverse range of products. Our products are also suitable for the construction sector, the agricultural sector, and diverse fencing requirements. We aim to become a prominent player in the wire netting and wire mesh segments and further diversify our product range to offer higher quality at affordable price points.
