About Us

Hindustan Motor Corporation introduces itself with its brand, E-Maggic Rickshaw. With the best resources for designing and engineering, we are engineering a commendable range of electric vehicles. We prefer to ride on the latest technology and fresh energy to develop and supply Battery Operated E-rickshaw, E-Maggic Plus Battery Rickshaw, and many other models of e-rickshaws. Since our inception, we are focused on taking the world forward and towards a greener tomorrow. We design our products by keeping in mind the needs of the future generations while focusing on meeting demands of current customers in a sustainable manner.

We design and supply e-rickshaws that have smart and sophisticated features such as no noise, no vibrations, zero carbon emissions, intelligent ergonomics, and elegant looks with modern sensibilities. With our range of Electric Vehicles, we are proudly becoming a crucial part in bringing a positive change for a better future.
