CONVEYOR**

About Us

Screwtech Engineering Private Limited represents precision, power, and hassle-free performance in the realm of industrial material handling solutions. Being a committed supplier and manufacturer, the company offers a high-quality line of products, such as stainless steel screw conveyor, multi ms screw conveyor, industrial mild steel screw conveyor, live bottom screw conveyor, stainless steel screw feeder, inclined screw feeder, submerged ash belt conveyors, ms mechanical flange spreader, industrial rotary air lock, and ss rotary airlock valve. These systems are built to perform in the toughest industrial environments wet or dry, high temperature or erosive.

Strength and design unite in every solution. Each product is corrosion-resistant, simple to install, and designed to reduce maintenance and enhance efficiency. Each rotary valve and screw conveyor is specifically manufactured to seamlessly integrate into current processes, boosting productivity and cutting downtime. These systems are not only built; they are built to last.

Key Facts

No of Staff	26
Year of Establishment	1994
OEM Service Provided	No

Our Products

Metering Screw Conveyor For Packing

Trough Type Screw Conveyor

Screw Conveyor

Industrial Twin Screw Conveyor

Paper Pulp Multiple Screw Conveyors

Hot Ash Handling Screw Conveyor

Industrial Screw Conveyor

Twin-Screw Live Bottom Conveyor

Live Bottom Screw Feeder

Screw Feeder

Sand Charging Screw Feeder

Live Bottom Screw Conveyor

Triple Or Quad-Screw Live Bottom Conveyor

Industrial Mild Steel Screw Conveyor

Multi MS Screw Conveyor

Inclined Live Bottom Screw Conveyor
